ORDER NO.

2019-117

THIS DIRECTIVE SHALL SERVE AS THE COMMISSION'S ORDER ON THIS ISSUE.

SUBJECT:

DOCKET NO. 2018-3-E - Annual Review of Base Rates for Fuel Costs of Duke Energy Carolinas, LLC - Staff Presents for Commission Consideration Duke Energy Carolinas, LLC's Request to Remove Second Meter Requirement in Renewable Net Metering Tariff.

COMMISSION ACTION:

Move to grant the request to remove the requirement for a second revenue-grade meter on customers' net metering projects. Removal of this requirement from the tariff will result in customer savings on the installed cost of the customers' renewable projects. A sufficient number of second meters has been installed to achieve the original objective of allowing the Company to study the impacts of net energy metering on its distribution system. The ORS does not object.
